### SPORTING BREVITIES.

Battling Nelson says he will not  
resume boxing until February.

The Yale soccer football team was  
defeated in the final game of its sea-  
son by the Crescent Athletic Club by  
the score of 5 to 2.

Frank Mount Pleasant, the famous  
Tuscarora Indian quarter back, has  
been elected captain of the Dickinson  
eleven for the coming year.

One hundred and seventy-two  
American bred race horses left for  
England on the Atlantic Transport  
line steamship Minnetonka.

Frank Kramer, the American cy-  
cling champion, won a three cornered  
match race in New York against Vic-  
tor Dupre and Major Taylor.

Jerome D. Travers, the American  
golf champion, will go abroad to com-  
pete in the British amateur cham-  
pionship, which will be decided in  
May.

Dr. John B. Taylor, the former  
champion quarter-mile runner of the  
University of Pennsylvania, died at  
his home in Philadelphia from ty-  
phoid pneumonia.

Napoleon Lajole, after two years  
as editor of the American League  
Publishing Company, getting out the  
Lajole Guide, has retired from the  
publishing business.

The rowing officials of Marquette  
University, Milwaukee, are making  
efforts to gain recognition in the  
East, and will try and arrange inter-  
university races with Georgetown.

While the winter season has opened  
with a boom at Oakland, it is a fore-  
gone conclusion that an attempt will  
be made in the pending California  
Legislature to stop racing on the  
Coast.

There will be no racing at New Or-  
leans this winter. All the tracks and  
jockey clubs have finally decided that  
it is impossible to conduct a success-  
ful racing meeting under the bill pro-  
hibiting betting at the races.

### Athletic Italy.

Italy is enjoying a twentieth cen-  
tury Renaissance. The Renaissance  
of the fourteenth century was a re-  
vival of learning and the arts, but  
this one has to do with muscle. Ever  
since Dorando almost won the Mara-  
thon at London, and actually did re-  
ceive a gold cup from the hands of  
Queen Alexandra, Italy has been  
sport mad. Rome is building a mag-  
nificent stadium to be devoted to foot  
racing and field events. Turin and  
Genoa and Florence are following  
her example. On the celebrated Cam-  
pagna di Romana, and but a stone's  
throw from the Villa Borghese, twelve  
acres have been set aside for a play-  
ground. Playgrounds are being plan-  
ned in all the cities of the peninsula,  
and very soon "pallone" an Italian  
ball game which is said to be as  
rough as American football, will come  
into recognition as a national game.

**HAD FRONTAL HEADACHES**

**EYES BOTHERED ME**

**DROPPING IN MY THROAT**

**MRS. ELIZABETH H. MARTIN,**  
332 Bowen Avenue, Chicago, Ill.,  
Chaplain Garfield Circle, writes:

"Peruna has been a blessing to our  
family for a good many years, as we  
have all used it off and on for colds and  
catarrh, and I have given it to all of my  
children with the best of results.

"I found that a cold left me with  
catarrh of the head in a very bad form.  
My head was stopped up, I had frontal  
headaches, my eyes bothered me, and  
there was a nasty dropping in my  
throat which nauseated me and made  
it impossible many times for me to eat  
my breakfast.

"As soon as I began to use Peruna I  
found it relieved me, my head soon  
cleared up and in a remarkably short  
time I was rid of catarrh.

"I can, therefore, give my personal  
experience with your valuable medi-  
cine, and am pleased to do so."

People who prefer solid to liquid  
medicines can now secure Peruna tab-  
lets, which contain the medicinal in-  
gredients of Peruna.
